EXECUTIVE MINI MBA

IN Managing Corporate & Islamic Finance and Corporate Governance

Accredited by the Institute of Certified Business Consultants ICBC – Canada

Definition:

An Executive Mini-MBA is a short-duration training course that provides an overview of essential executive skills needed for success as a manager or leader. The Mini MBA will cover a depth of practical knowledge, over a shortened syllabus.

Description

This comprehensive course explores the core principles of **Corporate Finance**, **Islamic Finance Principles**, and the **Corporate Governance Framework**. Participants will gain insights into **Shariah-Compliant Finance**, ethical financial structures, and the regulatory frameworks governing corporate operations. The program provides a deep understanding of **Risk Management in Islamic Finance**, financial decision-making and corporate leadership. This course is tailored to equip professionals with the knowledge needed to enhance **Transparency and Accountability**, drive responsible investment, and strengthen governance structures in conventional and Islamic financial institutions.

Learning Outcome:

- Develop a solid understanding of **Corporate Finance** and **Islamic Finance Principles**, highlighting key differences and synergies.
- Enhance knowledge of **Corporate Governance Framework** and its impact on organizational performance, compliance, and ethical conduct.
- Equip professionals with practical skills to apply **Risk Management in Islamic Finance**, financial structuring, and regulatory best practices.
- Provide an in-depth exploration of **Shariah-Compliant Finance**, focusing on **Islamic Financial Instruments**, **Sukuk and Islamic Bonds**, and investment strategies.
- Strengthen capabilities in **Business Ethics**, **Corporate Social Responsibility (CSR)**, and **Stakeholder Management** to foster responsible corporate leadership.
